Doug:

Thank you! It was a pleasure working with you, EPA staff and the CAG members for the last couple of years.

Thank you for letting us know and congratulations on your new position. Please let us know if you can think of some folks to consider to coming onto the CAG, especially in the municipal area. Thanks again for your time in serving on the CAG, Debbie

Dear Debbie, Ana and Carol:

As you may have heard, I was recently appointed as the Assistant Business Administrator for the City of Hoboken.

My new duties will include going to city council meetings and other public hearings which are generally held in the evening.

Unfortunately, continuing to participate in the monthly CAG meetings will be too much for me.

I laud you for all of the good work you are doing... Please don't get down if it doesn't happen as quickly as you'd like.

I strongly believe in facilitating public access to all of our state's waterfronts, including those urban riverfronts that have been ignored for far too long.

And, I will continue to be vocal and active in environmental advocacy for clean water and clean air for our region.

I'm sure I'll be seeing you all in the near future. Keep up the good work!

Best Regards,

Stephen

P.S. I would love to see you at the Ribbon Cutting for the Hudson River Waterfront Walkway at the Hoboken Cove on April 3, 2012 at 1 p.m.!!!!!! (nearest intersection is Park Ave. and 15th St. in Hoboken).
